

Kodiak® Building Products

Consumer Warranty Claim Process

Our Signature of Confidence

If your Kodiak product should not perform according to manufacturer's warranty and the need should arise to file a claim, the desire of Deceuninck is for the process to be easy and straight forward.

1. You must submit your claim in writing to Deceuninck North America, LLC within the warranty period and within a reasonable period of time after the defect is discovered.
2. Start gathering information including a copy of your bill from the contractor or distributor specifically stating the date, supplier and purchase price of the Kodiak Building Product, together with photographs of the product showing what you will be claiming.
3. Contact us for a claims package
