

Kodiak® Fencing featuring SunShield®

Introducing the Kodiak® all-weather fence system, engineered as the low maintenance alternative to wood fencing. With our two, three and four rail options—and now privacy fencing too—we have the design to meet your needs. Kodiak transforms your outdoor living space into a beautiful extension of your home.

#### Both homeowners and contractors will enjoy Kodiak for:

- Low maintenance
- Eco-friendly manufacturing and packaging, easing the burden on the environment
- Resists rotting, splintering or checking
- Does not require staining or painting
- 30-year limited warranty... backed by Deceuninck®, a name you can trust!

#### Why Deceuninck?

Deceuninck provides products of unmatched quality – supported by a company with 70 years of industry experience – and combined with responsible manufacturing technologies that incorporate renewable, plant-based additives, reduce energy consumption and increase material recycling and repurposing.
